ALLIED VICTORY IN SEA FIGHT GROWS AS JAPS ATTEMPT RESCUE OF FORCES

REINFORCEMENTS FOR JAPS IN CHINA ARE INTERCEPTED

ORIGINAL JAPANESE INVASION FORCE SAID TO BE STILL SURROUNDED

By SPENCER MOOSA.
CHUNGKING, May 11.—(P)—Japanese reinforcements rushing to the aid of a trapped column of their comrades in western Yunnan Province were intercepted today at Chefang, 25 miles inside China on the Burma Road, precipitating heavy fighting, a communique said. The original Japanese force of 4,500 was said to be still surrounded by the Chinese army.

The Flying Tigers of the American Volunteer Group shot down two more Japanese planes in western Yunnan province yesterday, it was announced officially. The communique confirmed Japanese reports of the fall of Bhamo, alternate terminal of the Burma Road 170 miles northeast of Mandalay, and Myittha, 250 miles north of Mandalay.

The Japanese were said to be attacking east of Lashio, 125 miles southeast of Mandalay, striking at Kungshien. The communique said the Chinese were resisting stubbornly.

This indicated that another pocket of the Chinese troops in Burma, under the general command of Lieut. Gen. Joseph W. Stilwell, U. S. A., still was fighting strongly in the area through which the Japanese swept swiftly last month in their thrust to capture Mandalay and Lashio and invade Yunnan province.

Earlier reports had indicated the Japanese in Yunnan province had been lured into a Chinese trap, and that the defenders had slaughtered 4,500 of the invading shock troops. The Japanese had been reported reeling back from the invasion of China, closely pursued and in peril of annihilation.

Claim Trap Set.
The Chinese announced last night that they had deliberately allowed the enemy to rush headlong up the Burma road into China's Yunnan province, then suddenly had smashed the enemy's wings and pounced on the main body of the invading force with an artillery blast which left 8,000 enemy soldiers dead and the remnants in flight.

Now, they said, the routed Japanese are facing certain annihilation, sandwiched between their pursuers on the north and another Chinese force, to the south in Eastern Burma, which already has recaptured Maymyo, former allied headquarters, and is pressing toward both Lashio and Mandalay.

Despite heavy Japanese shelling and bombing, the Chinese were said to have recaptured the Yenangyung oil fields in Burma where the Japanese have occupied an air dome. The Blemheim bombers scored hits on the runways, a communique said.

Reorganizing his armies, Wavell announced that three military commands in India had been changed from static bases of administration to fighting headquarters prepared to move wherever the enemy strikes.

Sabotage Still Rampant in Paris; Hostages Slain

NEW YORK, May 11.—(P)—Dynamite have damaged the station of Radio Paris and the famous Parisian restaurant of Marguerys, trustworthy advices to the Associated Press from Europe said today.

The extent of the damage was not fully known but several persons were reported killed in the restaurant.

These same sources said 20 more hostages had been shot near Rouen after two German sailors were killed and that five others faced a firing squad at Saint Auben.

It was said that 80 more would be shot if the guilty persons were not produced by May 15.

The Paris long wave transmitter has not been heard since regular close down time Saturday night.

MOVE REVIVED TO BUILD PIPELINE TO EASTERN SEABOARD

DECLARED ONLY ALTERNATIVE TO SEVERE GASOLINE RATIONING IN AREA

WASHINGTON, May 11.—(P)—A move to build a 1,500-mile pipeline from Texas to the populous Northeast, which has been revived as the only alternative to severe gasoline rationing along the eastern seaboard.

A third application for priorities on the metal required for the pipeline will be submitted to the war production board this week by petroleum coordinator Ickes, government oil officials said. Twice Ickes has been refused the metal for the project.

Telegrams have been received from the petroleum industry war council that the huge conduit afforded the only means of relief to eastern motorists subject to a stringent rationing order.

Ralph K. Davies, deputy petroleum coordinator, said the line was "the central and most important part" of the planning of means to ease the oil shortage.

"We have high hopes," he added, "that the line would be just about assured meeting the east coast's essential requirements entirely by overland transportation."

Ickes said at his last press conference that the line would now be pouring about 300,000 barrels of oil daily into the east. It would be the first of a series of metal pipelines that had been approved last August, when his office filed the first application.

Under the original proposal the line would have cost approximately \$80,000,000, would have been jointly owned by several oil companies and privately financed.

A 22-inch line would have run from a point west of Shreveport, La., near the Texas border to a point near Salem, Ill., about 490 miles; a 16-inch connection line from Salem to Wood River, Ill., to tap existing facilities carrying oil from Oklahoma, Kansas, Texas, Mid-Continent and Illinois areas, 65 miles; a 24-inch line from the junction of the first two lines near Salem to be connected with the New York-Philadelphia area, with branches to refining centers. Oil men estimated it could be built in six months to a year.

ALLIED BOMBERS SINK OR DAMAGE TWO ENEMY SUBS

GRAND TOTAL OF 21 JAPANESE VESSELS SUNK OR DAMAGED IN SEA FIGHT

ALLIED HEADQUARTERS, Australia, May 11.—(P)—In a sequel to the great battle of the Coral Sea, allied bombers dealt another blow to Japanese naval power yesterday by sinking or damaging two enemy submarines off northeastern Australia, General MacArthur's headquarters announced today.

The number of Japanese vessels officially reported knocked out of action or badly crippled in this theater in the past seven days thus was raised to a grand total of 21.

Competent observers said there were good grounds to believe that the allied announcements of Japanese losses so far had been conservative and there has been little mention of transports.

Correspondents were informed today, however, that the enemy force included transports and that when the full list of sinkings is announced it might include Japanese transport losses. Thus far communique have listed only two "transports or supply ships" sunk and two damaged.

Today's communique made the first mention of Japanese submarines.

Whether the submarines were a part of the enemy fleet repulsed by allied forces last week in the Coral Sea was not clear, but it was evident that the allied force was continuously patrolling those waters in search of scattered remnants of the Japanese armada.

First indication of this was given yesterday in a communique announcing that allied planes had damaged another Japanese sea-plane tender and a tanker in the Coral Sea.

That communique definitely declared, however, that there had been no further contact between Japanese and allied naval units Saturday and no further mention of naval action was made by MacArthur's headquarters today in reporting on Sunday's developments.

Official quarters declined to elaborate on the situation, and it still was uncertain whether the Coral Sea action definitely had been broken off or whether the opposing fleets were maneuvering.

VICHY AMBASSADOR CONFERRED MONDAY STATE DEPARTMENT

REFUSED COMMENT ON AMERICAN NEGOTIATIONS UNDER WAY MARTINIQUE

WASHINGTON, May 11.—(P)—The French ambassador, Gaston Henri-Haye, conferred today with Secretary of State Hull and said afterward he hoped conversations on French Caribbean possessions, now in progress at Martinique, would bring some satisfactory solution.

At a press conference, Secretary Hull was non-committal about the discussion.

Henry-Haye disclosed after an hour with Hull that he carried no formal note from his government concerning American negotiations to safeguard the Caribbean possession, but said he expected further instructions from Vichy.

U. S. SUBMARINES SINK ADDITIONAL JAPANESE VESSELS

DESTROYER, TWO CARGO SHIPS, ONE A NAVAL AUXILIARY, LATEST ACTIVITY

WASHINGTON, May 11.—(P)—The Navy announced today that United States submarines in the Western Pacific had sunk a Japanese destroyer and two cargo ships, one of them a naval auxiliary.

The communique, No. 80, issued by the navy department: "Far East:

"One naval cargo ship. "One medium sized cargo ship. "These sinkings have not been reported in any previous navy department communique and are not related to the recent engagement in the Coral Sea."

"There is nothing to report from other areas."

These sinkings raise the toll of Japanese ships, both naval and commercial, taken by United States submarines to 42 sunk, 12 probably sunk and 11 damaged. Only four days ago, on May 7, submarines were reported to have sunk three commercial vessels, including a medium sized tanker.

OFFICE PETROLEUM COORDINATOR HAS SHIPMENT PROGRAM

HEAVY FUEL OIL SUPPLIES IN EAST BE INCREASED AT EXPENSE GASOLINE

WASHINGTON, May 11.—(P)—The office of the petroleum coordinator announced today a new program designed to increase heavy fuel oil supplies in the East at the expense of gasoline and to increase the extraordinary movement of oil by tank car.

The program contained eight points which were:

1. Formation of a joint tank car subcommittee for the East, Middle West and Gulf states charged with the responsibility of obtaining maximum efficiency in use of tank cars and assuring that the cars will be utilized to meet existing problems of supply in each district.

2. Movement of 75,000 additional barrels of heavy fuel oil daily from the Gulf coast and the same amount from the Middle West.

3. Arrangement of East Coast refinery operations so that minimum amounts of crude oil shall be used by refineries which are making petroleum war products so that heavy fuel oil production will be increased at the expense of gasoline.

4. Apportionment of crude supplies among East Coast refineries so that each receive amounts in proportion to their capacity during the last six months of 1941.

5. Movement of an additional 100,000 barrels of East Texas crude into the East daily in order that refinery operations there may be maintained at 400,000 barrels daily.

6. Movement of 10,000 additional barrels of gasoline daily into the East by Great Lakes tankers.

7. Supplying of oil to the Gulf states from points of entry on the Gulf coast and Mississippi river.

8. Utilization of rail facilities. See FUEL OIL, Page 3

CHURCHILL'S TALK WAS MOST OPTIMISTIC OF HIS ADDRESSES; ISSUES WARNING ON POISON GAS

By DEWITT MACKENZIE
Wide World War Analyst.

British Premier Churchill's broadcast last night strikes me as the most optimistic I have seen in a long time. A message of good cheer, as he called it—than any of his previous pronouncements, which have borne heavily on the subject of sweat, blood and tears.

In his summary of the military position the Premier really stepped rather heavily on the pedal and let the organ peel out a note of triumphant certainty that the allies are marching to victory. Because Mr. Churchill is conservative, and the British people are so, it is good to hear him declare that "we are moving through many reverses and setbacks to complete and final victory," and then proceed to prove it.

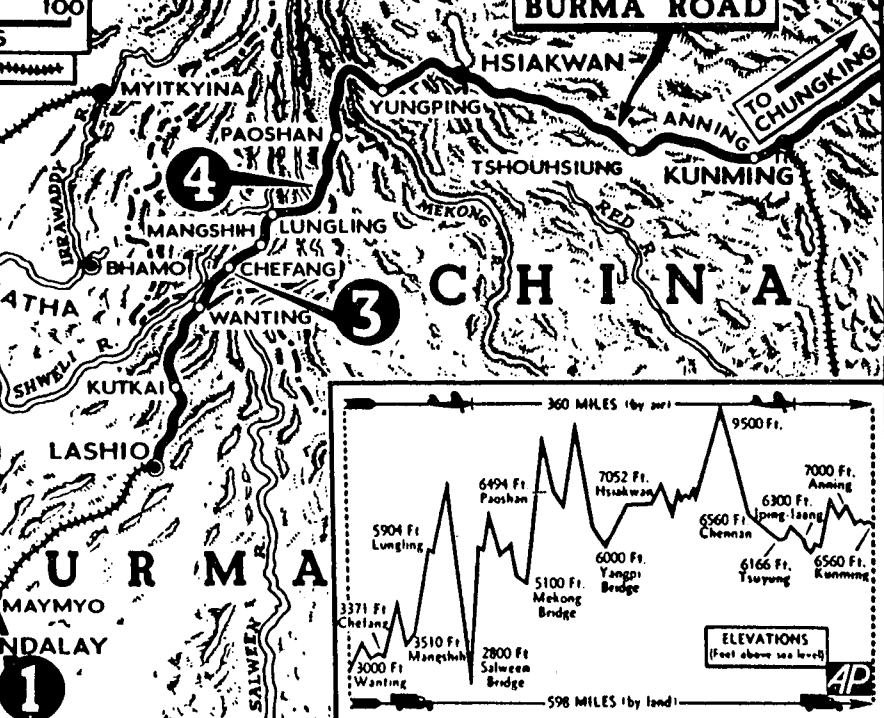

But Churchill's talk wasn't all pleasant, for he injected a horror into it by announcing that the Russians believe "the Germans in the desperation of their assault may make use of poison gas

against the armies and people of Russia." With that the Premier grimly warned Hitler that if the latter resorts to such measures, the British will use their "great and growing air superiority in the west to carry gas warfare on the largest possible scale far and wide against military objectives in Germany."

The danger that the axis powers would resort to the use of poison gas if they became desperate has always been in allied minds. The great fear has been that they would start dumping it on civilians in great cities. British and Russian suspicion of the Nazis is, of course, justified because it was the Germans who in the last world war violated international law and first employed gas against the allies.

The first effective use of gas in modern war was April 22, 1915, when the Germans let it loose against unprotected French troops thereby eliminating all resistance for a depth of several miles. The allies lost no time in retaliating, and from that time on it was used

CHINESE RECAPTURE VITAL BURMA TOWN—Chungking says its forces have retaken Maymyo (1), former allied headquarters in Burma, thus threatening rear of Jap forces which have pushed forward along the Burma Road into China. Chungking said same isolated Chinese force was attacking Mandalay and other towns. Meantime as Tokyo claimed capture of Kungshien (2), rail town north of Mandalay, Chungking said 500 Japs were trapped near Chefang (3). Tokyo said more than fifty-five Chinese trucks were destroyed near Lugling (4).

DEPARTMENT STORE OWNERS MAY REMODEL PARTS OF BUILDINGS

PERSONS EATING ALL MEALS IN HOTEL OR CAFE SHOULD GET SUGAR BOOK

DALLAS, May 11.—(P)—A department store owner may remodel parts of his building without asking permission, provided not more than \$5,000 is spent for such work, the Office of Emergency Management announced today.

A person who eats all his meals at a boarding house or a cafe should obtain a sugar rationing book and turn it over to the sign for commercial construction costing more than \$5,000 must be obtained from the WPB.

Q. A printing firm needs certain machinery. What are the restrictions to be complied with?

A. Printing machinery and other specified types of machines and equipment costing more than \$200 can be purchased only on a priority rating of A-9 or better.

Q. Should Get Book.

Q. A person who eats all meals at a boarding house or in a cafe registered and received a war ration book. He has no occasion to buy sugar. What should he do with the sugar stamps in his ration book?

A. He should turn over his book to the boarding house or cafe where he has many as 12 meals a week. The boarding house or cafe will have the stamps cancelled.

Q. There are two in a family. The housewife normally can and preserves fruit from her trees and gives the canned or preserved goods to friends and relatives. But

See QUESTIONNAIRE, Page 3

Sugar Rationing Books Issued to 45,776 Persons

Practically complete Navarro County registration for war ration Book No. 1 was reported Monday at the office of J. C. Watson, county superintendent, with corrected totals as compared with figures released last week. State Home and Gazette schools had not made their final reports Monday morning, it was stated.

There were 46,807 persons enumerated with 45,776 books issued. A. Wright has estimated that approximately 5,000 Navarro county residents failed to register last week at the elementary schools. It will be necessary for those persons now to register at the county ration board.

There were 5,867 stamps removed from books to care for slight excess amounts of sugar. There were 1031 with too much sugar to be issued books.

In the city of Corsicana, there were 16,571 persons registered with 16,201 books issued.

This indicates the population of Corsicana has increased from the 1940 federal census of 1,339 plus those not enumerated as there were 15,232 persons reported at the end of the 1940 federal census.

If the estimate of Chairman Wright is correct on 5,000 being unregistered, it indicates the population of the county is about 51,807 an increase of 499 as the 1940 census was 51,308.

PATENT RULING WAS ISSUED BY SUPREME COURT ON MONDAY

CANNOT CONTROL RELEASE PRICE OF ARTICLE AFTER PATENT SOLD

WASHINGTON, May 11.—(P)—The supreme court ruled today that the holder of a patent cannot control the resale price of patented articles which he has sold.

Chief Justice Stone delivered the 8 to 0 opinion in holding invalid contracts by which the Univis Lens company of Dayton, Ohio, disposed of lens blanks for bifocal glasses to wholesalers and retailers. Justice Jackson did not participate.

The lens company, together with its affiliate, the Univis Corporation, were accused by the Justice department of violating the anti-trust laws by attempting to fix prices of its product.

In another anti-trust decision, the high court upheld the department's contention that 10 manufacturers or distributors of building materials violated the Sherman act through agreements to fix prices in the hardware industry.

This decision was 7 to 0 with Justice Roberts and Jackson not participating.

See PATENTS, Page 3

EVERY AMERICAN WAGE EARNER MAY BE FORCED TO SAVE

BOTH WITHHOLDING TAX, WAR BOND PURCHASE PLANS ARE ADVOCATED

WASHINGTON, May 11.—(P)—Plans to compel every American wage earner to invest a part of his weekly pay check in the war effort were put forth in both branches of congress today.

Chairman George (D-Ga) of the senate finance committee advocated a withholding tax of from 5 to 10 per cent on all wages, salaries and dividends, while Rep. Gore (D-Tenn) came forth with a bill to deduct a percentage of every wage, beginning with 8 per cent on the \$20-\$30 married class and ranging upward.

The Gore bill, which provides that the money deducted be used to purchase war bonds for the employee, would set up the following income brackets:

Weekly wage, \$20 to \$30; single, 6 per cent; married, none. Weekly wage, \$30 to \$40; single, plus 7 per cent of amount over \$30; married, 7 per cent of amount over \$30.

Weekly wage, \$40 to \$50; single, plus 8 per cent of amount over \$40; married, \$70 plus 8 per cent of amount over \$40.

Weekly wage, \$50 to \$60; single, plus 9 per cent of amount over \$50; married, \$150 plus 9 per cent of amount over \$50.

Weekly wage, \$60 to \$70; single, plus 10 per cent of amount over \$60; married, \$250 plus 10 per cent of amount over \$60.

In the higher brackets, annual income would be limited to \$25,000, after payment of taxes, with the remainder going into the purchase of bonds. That was the limit favored by President Roosevelt in his recent share-the-war speech.

Senator George's 5-to-10 per cent withholding tax plan was offered as an alternative to the treasury's proposal to obtain \$1,100,000,000 in new revenues by lowering income tax exemptions.

Assessing that the treasury plan would place a "terrible burden" on the low income groups, George predicted that congress would be forced to turn instead to some new form of taxation such as a "poll tax" or sales levy. Of the two he said he preferred a withholding tax.

Compulsory Savings.

WASHINGTON, May 11.—(P)—Members of the house ways and means committee said today that Price Administrator Leon Henderson

CHINESE APPEAR TO HAVE TURNED TABLES ON ENEMY INVADERS

BLOWS AT JAP LINES FAR EASTERN SITUATION BRIGHTENED BY SURPRISE

By CLYDE A. FARNSWORTH
Associated Press War Editor.

The aerial sequel to the battle of the Coral Sea raised to 21 the count of Japanese ships destroyed or damaged in a week off Australia; the Japanese on the Burma-China front were attempting to wipe out a drastic reverse; India braced for Japanese assault, and the threat of gas warfare such as the world has never seen overhanging the European theater.

There were the main threads woven over the week end and today, into the pattern of conflict girdling the earth.

United Nations bombardiers ranging the Coral sea Saturday and Sunday scored bomb hits on a seaplane tender, a tanker and two submarines. It is possible that the submarines now lie on the bottom.

Chungking reported that Japanese reinforcements seeking to relieve a trapped column which had thrust into China from Burma had been intercepted at Chefang, 20 miles inside the border on the Burma Road.

The original Japanese invasion force in Southwest China—of which the Chinese originally reported they had killed 4,500 late last week—was said to have been surrounded after disordered flight toward the border.

Philippines Conquest.

The Japanese, meanwhile, announced that "conquest of all the islands of the Philippines by the Japanese forces now has been completely achieved."

If Japan invades India from Burma, a British official at Washington said today, a defense force of more than 1,000,000 men will be "on the job."

The Imperial forces in India, he said, are increasing at the rate of 50,000 a month and British and American planes are moving to India bases in large numbers.

General Sir Archibald P. Wavell, commander of British Imperial forces in India, poised three reorganized grand assault groups, pushing northward through Burma toward India.

The Japanese were still gathering an invasion fleet at Rangoon for a descent on Bengal.

Wavell announced that the three armed grand assault groups have changed from static administrative bases to fighting headquarters, ready to move whenever the enemy strikes.

British Say Are Ready.

The British, with whose Prime Minister Churchill the threat of escalation of grand assault warfare in Europe originated, yesterday, contingent upon German report to that weapon against the Russians, believed they could overmatch the Nazis in the new technique of spraying clouds of

Japanese Claim Full Conquest All Philippines

TOKYO, (From Japanese Broadcast), May 11.—(P)—Domel declared in a French-language broadcast tonight that "the conquest of all the islands of the Philippines by the Japanese forces now has been completely achieved."

Quoting a dispatch from Mindanao, the Japanese agency said that Major General William F. Sharp, described as commander in chief of the American-Filippine forces in the Mindanao region, surrendered unconditionally last night.

Thus, the dispatch said, "four days after the fall of Corregidor, all the American-Filippine forces in the Philippines have submitted."

Domel said General Sharp's surrender was in accordance with orders issued by Lieut. Jonathan M. Wainwright, commander of the U. S. 61st regiment had been captured by Japanese forces operating south of Lake Lanao, 55 miles northwest of Davao.

Survivors Landed.

AN EAST COAST CANADIAN PORT, May 11.—(P)—Twenty-three survivors of a Japanese merchant vessel sunk in the Western Atlantic have been landed here after being picked up from three lifeboats by fishermen. Nine men were killed in the sinking.

AN AMERICAN CREED

Frederick May Eliot is one of the noted American ministers. He comes naturally by his brilliance. His grandfather was Charles W. Eliot, president of Harvard, and one of the three or four greatest college presidents that this country has produced.

"We are at war," says the present Eliot, "and we have taken up all the horrible implements of modern warfare; but our purpose is to put an end to the ghastly possibility that lust, greed and barbarism shall rule the world."

"We have faith in man, in his power to meet the threat of armed hate and cruelty by the greater power of armed idealism and sanity."

"We believe that victory over evil can be achieved without surrendering our loyalty to the things that are true and honorable and just."

"We believe that our faith has met the tests of centuries of factual experience and will meet those of today and tomorrow. If we were stunned and confused, it was only for a moment. And we are not afraid."

Any American may feel proud to subscribe to that great faith.

FARM WORK FOR BOYS

Farm work is coming into high honor, and there will be hundreds of thousands of high school students engaged in it this summer. Special activity along this line is reported in and around New York City. The Board of Education, along with the U. S. Employment Service and the agricultural extension service of Cornell University, has mapped a program for high school students seeking summer work. Seven thousand students in New York City's high schools are reported as applying for such jobs. That community is expected to supply 25,000 students to replace farm workers called to military service, 10,000 of them for general summer work and 15,000 for seasonal work.

The pay is not bad. Schoolboys 16 years old will get so much a month, plus board, room and transportation. They will learn a good deal about real things, and most of them will gain in health and strength. They will have "farm advisers" and must have the consent of their parents.

Similar procedure will be followed in other parts of the country. The number of boys so employed may run into many hundred thousand. It looks like an excellent way for city and small-town boys to contribute to the national effort, while benefiting themselves.

NAZI KRUG

Americans, particularly Texans, are justifiably incensed at the uncomplimentary remarks made by Lt. Hans Peter Krug, 22, Nazi bomber, recently captured at San Antonio. He had escaped from a concentration camp in Canada. He considers Americans dumb and inferior compared with Germans, and did not try to hide his feelings, but rather boasted of them. He reminds us of some of the kid gangsters of a few years ago. Krug was so dumb he kept a diary that fell into the hands of the FBI. He may be a star witness against several persons on.

JUST FOLKS

(Copyright 1937 Edgar A. Guest)
MOURNING DOVES
She does not like the mourning dove;
With such a sorry note it coos
Her chamber window just above,
As it were spreading evil news.
Croo! Croo! This feathered creature gray
At early dawn begins to sigh,
Greeting in such a solemn way,
The glory of the eastern sky.
And oft I wonder can it be
That mourning doves are doomed
To grieve
For all the sorry sights they see.
An all the wrong that men achieve.
Down through the ages doves
Have been
Symbols of gentleness and peace;
Yet thus they wait at dawn and e'en,
As if men's wars would never cease.

guilty of aiding him travel. But disregarding our feelings for his insults about our intelligence, we must realize he is but the product of the Nazi and Fascist systems.

Reared and educated in the atmosphere of poison, hate and racial superiority claims, his attitude is to be expected.

It also emphasizes our job in the war. Our job is not only to overthrow the present Axis governments, but also to eradicate such principles and attitudes of the Axis citizenry who observe "armed might" as the only force they respect or fear.

Nazi Krug is a typical Hitler-product — arrogant, unscrupulous and bigoted.

ECONOMIC CONTROL

It is inevitable, even in the freest of countries, that the national economy shall be controlled by the government in war time. Otherwise unregulated human nature will take hold and start a fatal spiral of hoarding, rising prices, speculation and economic confusion.

In such a situation the President proposes and Congress disposes. The President has large war-time powers, but not dictatorial powers. He has indicated what measures he and his expert advisers consider necessary, and leaves the matter in the hands of Congress for action. The nation's attention, therefore, will be centered for the present on Congress, in the hope of prompt and decisive action.

It is not essential for Congress to follow slavishly any blue-print laid down by the executive in a situation like this. But the importance of the proposals submitted to Congress is obvious, and no less obvious is the desirability of speed. Such problems as farm prices, rents, wages, rationing of essential commodities, discouragement of wasteful spending, payment of debts and general clearing for action and getting set for the big storm, all these are urgent.

So far in this war, Congress has shown a notable capacity for prompt and effective action in emergency. The public expects similar procedure now.

SHARING HARDSHIP

Another little cut won't do us any harm. The 25 percent reduction in coffee, for example, which has just been ordered. Americans are great coffee drinkers, but can probably manage to worry along with only two cups a day instead of three. And there is still tea to fall back on. It has been cut 50 percent; but between the two beverages, plus cocoa and various other drinks still available, it takes a glum person to find any real tragedy in the situation.

Americans have been the spoiled children of this modern world, thinking they had a right to everything, and inclined to wrath and self-pity when deprived of accustomed luxuries. What they have a right to now is a fair share in the privations, hardships and griefs of the rest of mankind.

So far, on the whole, our people seem to be taking such hardships as come to them—still rather trivial—in a sporting spirit. This attitude should deepen and strengthen as the war rolls on. A frank friend says:

RUG CLEANING TIME

RED CROSS WORKERS INSTITUTE PROGRAM BE HELD IN DALLAS

Following is the tentative program for the Red Cross volunteer workers institute, which will be held at the Baker Hotel in Dallas Tuesday through Thursday as announced by Mrs. R. B. Mitchell, local Red Cross executive:
Tuesday, May 12
Morning Session, 9 to 10 o'clock
Registration.
10:30-12 Noon—General Session, Luncheon hour.
Afternoon Session, 2 to 4 o'clock
Production: (1) General information; (2) war production; (3) surgical dressings.
4:30—Complimentary Tea, Dallas Woman's Club.
Wednesday, May 13
Morning Session, 9:30 to 11 o'clock—Staff Assistance: (1) lecture; (2) purpose; (3) relationship to other services.
11 a. m. to 12:15 p. m.—Hospital and Home Service.
2:00 to 4:00—Nurses' Aids.
4:00 to 4:30—Discussion.
Thursday, May 14
Morning Session, 9:00 to 10:00—Canteen.
10:30 to 12:00 Noon—General Session: (1) Home service; (2) Braille.
12:30 p. m.—Luncheon and Production Fashion Show, Baker Hotel.

Central Texas Singing Convention

The Sun has received the following, with request for its publication:
You are invited to attend the third annual Central Texas Singing Convention, to be held at the Methodist Home on Herring Avenue, Waco, May 24, beginning at 10 o'clock a. m. Tell your friends about this big convention, the biggest of the year. Lots of good singing. Two previous conventions were attended by over 10,000 people. Lunch will be served for all visiting singers. Make your plans to attend; we will be looking for you. Everybody welcome.
Central Texas Singing Convention.
Sam C. Sellers, president; Carl McSherry, vice president; Elbert Sherrill, secretary.

Navarro County Was Well Represented

Navarro county was well represented at the extension District 4 Home Demonstration Association meeting in Greenville Friday. There were 188 reported in attendance.
Mrs. Ernest Watson, Barry; Mrs. J. L. Young, White's Chapel; and Mrs. Kate Stone, Corbett, were Navarro county delegates. Others attending were Miss Vera Sneed, county home agent; Mrs. C. C. Christie, Pickett, chairman of the Sponsors' Club for 4-H Girls; and Miss Marjorie Bennett, Corbett and Emhouse, county Gold Star girl.
Mrs. Watson and Miss Bennett appeared on the program.

"Who are we, to think we are so much better than the rest of the world that no harm can come to us?"
The only real harm that can befall people is in the realm of the spirit, if they fail in doing their duty.

Miss Ruth Rogers And Jack Whitley Married April 20

Friends and relatives are receiving the following wedding announcements in the mail:
"Dr. and Mrs. Andrew Wier Rogers announce the marriage of their daughter, Ruth Emily, to Mr. Jack R. Whitley on Monday the twentieth of April, nineteen hundred and forty-two, Fort Ringgold, Texas."
Mrs. Whitley is a graduate of Southern Methodist University where she received a bachelor of public school music degree. She is an accomplished musician having studied music at the Waltham Studio with Viola Van Katwijk of SMU and voice with Ethel Eader of SMU and had been teacher of public school music at Fairlairs for two years.
Mr. Whitley is the son of Mrs. M. W. Fairchild, of Klondike, Texas and is a graduate of East Texas State Teachers College at Commerce. He was a teacher in the Fairlairs High School until he was called into military service. He is a technical sergeant in the cavalry division, Fort Ringgold, at Ro Grande City, Texas.
Private Whitley is completing his school term this week and will come home for a few days before rejoining her husband at Fort Ringgold.

HUBBARD YOUTH IS KILLED IN PERRIN FIELD PLANE CRASH

PERRIN FIELD, Texas, May 9.—Perrin field victim of its seventh air crash victim Friday after Private Gus A. Woyonofsky, Jr., 19, son of Mr. and Mrs. Gus A. Woyonofsky, of Hubbard, was killed instantly Thursday night. His plane collided with another plane as they attempted to land.
Private Woyonofsky, an enlisted student pilot, volunteered at Columbus, Miss., and received nine weeks preliminary training at Stamford before being transferred here.
It was the first fatality involving an enlisted pilot and the first night crash at this field.

Cadet Killed.

SAN ANTONIO, May 9.—(P)—The crash of a basic training plane at Randolph Field killed Aviation Cadet Nicholas E. LeCompte, Jr., of Baltimore, Md., yesterday.

Texas Grapefruit Men Join Protest

WESLACO, May 9.—(P)—Although the Texas grapefruit crop is virtually harvested, lower Rio Grande Valley citrus growers, shippers and canners have agreed to join Florida citrus commission in presenting to the office of price administration a convention that price ceilings would have an injurious effect on the grapefruit crop held by Florida growers.
James A. Burch of Weslaco, secretary of the South Texas Canners' Association, left for Washington to represent Texas canners in co-operation with the Florida industry in making the presentation before the OPA.

REMAINDER MISSING CREW OF KEATHLEY BOAT ARE RESCUED

It was disclosed in an Associated Press dispatch Friday that 13 survivors of a torpedoed American cargo ship were brought ashore in Norfolk Wednesday and revealed they had sailed and drifted 1,000 miles during 16 days in their lifeboat.
This group was the last remaining survivors of the merchant vessel on which Ensign Frank M. Keathley of Corsicana was serving as chief of a gun crew when an axis submarine torpedoed and sank it about 450 miles off the coast of Africa.
Ensign Keathley together with the captain and a number of other crew members were rescued the following day but a large number remained missing.
Third Mate Clarence T. Wells of Hopewell, Va., told newsmen that the ship's complement of 46 including a nine-man navy gun crew, abandoned ship safely in four lifeboats. He said he had learned that occupants of two of the boats were rescued after two days afloat and landed at Boston and that the other boat was picked up this morning and its occupants landed at Cape May, N. J.
Ensign Keathley's boat was the first picked up and he later assisted in rescuing members of the second lifeboat. He has been home for several days on a furlough.
After being rescued the following day by another merchant vessel en route to the United States, Ensign Keathley personally avenged the loss of his ship by scoring a direct hit on a submarine with the deck gun of the rescue vessel. He missed the gun at the request of the ship's captain.

Frost Native Dies St. Louis Thursday

ENNIS, May 9.—Mrs. L. M. McCord received a message Friday that her son, W. T. McCord, 40, died with a heart attack in St. Louis Thursday night. The body will be sent here for burial.
He was native of Frost, Texas, and moved here when a small boy with his parents. He had resided in New York and other places for a number of years. He was an electrician, and was engaged on a defense contract job at the time of his death.
Surviving are his mother of Ennis, two sisters, and other relatives.

Mrs. Cole on Program.
WORTHAM, May 9.—(P)—At the annual national music concert of the Cecilia Club of Dallas, in a program made up of the work of Texas composers exclusively, Mrs. Sarah Cole of Wortham was one of the guest artists presented. Mrs. Cole played her own compositions and graciously responded to number of encores.
Mrs. J. C. Register of Dallas sang the vocal numbers. Mrs. Cole was accompanied to Dallas by her daughter, Mrs. John Munroe.

Three Youths Arrested.
Three Corsicana youths were arrested by county officials at Fairfield on Thursday and later returned to Corsicana in connection with the theft of three bicycles, two stolen here and one from Richland. The bikes were recovered.
The youths were released to the district attorney here.

HONORARY DEGREE LONE STAR FARMER FOR J. N. EDENS

An honorary degree of Lone Star farmer was awarded J. N. Edens, Corsicana banker, at a meeting of the Lone Star Farmer committee of the State Future Farmers' association held recently at Port Worth.

The honorary degree was conferred in recognition of Mr. Edens' outstanding contributions to the Future Farmers' organizations in connection with all types of projects designed to improve farming conditions throughout Navarro county as well as the state.

Lone Star Farmer is the highest degree awarded by the State association. Receiving similar recognition were Governor Coke Stevenson, Jesse James of Austin; J. M. Orchard, A. and M. College; Hiram Phillips, San Angelo; Dr. Verne A. Scott, Stephenville; Capt. C. Rich, Stephenville; V. R. Glazener, Nacogdoches; Bob Samuel, Huntville and B. F. Vance, College Station.

Official presentation of the degrees will be made at the annual summer convention of the state association which is scheduled to be held in July. Site will be announced later.

Mr. Edens also holds honorary membership in the local FFA chapter of the Corsicana high school. In citing Mr. Edens for the highest state award, it was pointed out that he had greatly aided the state program by granting future farmer project loans, promoting prizes and awards for outstanding vocational agricultural work and directing the improvement of livestock.

Small Amount Of Sugar Be Issued Canning Purposes

With the canning season approaching, officials of the Navarro County Rationing Board disclosed Friday that small amounts of sugar per person would be provided for canning purposes during the entire year.

Wilbur A. Wright, chairman of the board, pointed out that applications for canning sugar would not be considered until recent registration files had been completed, except in extreme emergencies.

Five pounds of sugar, he said, would constitute the maximum per person per family unit for a period of one year. Canning sugar will be added in addition to regular rationing amounts allowed under the rationing booklets for normal consumption, he added.

Detailed information concerning the rationing of canning sugar will be announced within the near future, he said.
Referring to the rubber shortage, Chairman Wright stressed the seriousness of the situation, saying that it was becoming more critical every day. He pointed out that any person found guilty of neglecting or abusing their tires would not be allowed new tires or retreads, regardless of their eligibility ratings. This particularly applies to class A eligibles who must now accept retreads if possible, he said.

Ira Tarbutton Now At San Diego, Calif.

Mr. and Mrs. B. I. Tarbutton, 416 South Twentieth Street, have received word from the Navy Department that Ira Tarbutton is stationed at San Diego, California, at the naval training station for preliminary training.
Ira enlisted in the navy as a petty officer, third class yeoman. He was formerly a student at the University of Texas.

Plan Benefits For Cemetery Fund

The Angus Chapter of the Hamilton-Beaman Cemetery association met Tuesday afternoon at the school. Plans were completed for holding a market, a one-act play and other entertainment for the benefit of the cemetery fund.

Corsicana Girl Weds In Hartford, Conn.

Mr. and Mrs. S. E. Thomas announce the marriage of their daughter, Miss Effie Nell Thomas, to Sergeant Bob Drieslin of Hartford, Conn. The marriage was at Hartford Sunday.

Thieves Take 25 Chickens.

M. L. Hardin, resident of Pursley, reported to the sheriff's office Friday that 21 hens and four roosters were stolen Thursday night from his premises. No trace of the missing poultry had been reported Friday afternoon.

Baby Girl Born.

A fine eight pound baby girl was born to Mr. and Mrs. D. V. Mauer at the Waters Clinic at 2 o'clock Friday afternoon. Both mother and daughter are doing nicely.

Cadet Trained Here Killed in Crash

VICTORIA, May 8.—(P)—Richard E. Jacques, 23, of Milwaukee, Wis., aviation cadet at Fort Belvoir, was killed late Wednesday night when his advanced training plane crashed on a routine flight five miles south of Hope, Texas.

The cadet was scheduled to graduate shortly, and was a graduate of the University of Chicago in 1940. He took his primary training at Corsicana, finishing with Class 32-E on January 15 of this year, and his basic course at Randolph Field.

Alliance Hall 4-H Club Boys Net Friday

The Alliance Hall 4-H club boys met Friday at the school building with Ben D. Cook, assistant county agent. Nine members were present. Mr. Cook gave a demonstration on budding and grafting of trees. A picture show was planned for the next meeting.—Reporter.

EMHOUSE HI SCHOOL GRADUATION HELD ON WEDNESDAY EVENING

Commencement exercises for the Emhouse High school were held Wednesday evening when 17 graduates were presented diplomas by M. E. Taylor, superintendent. There were 15 girls and two boys in the class of 1942. D. W. Ralston, Corsicana city attorney, was the principal speaker.

Posey Beth Brethaupt was valedictorian and Minnie Mabel Johnson was salutatorian of the class.

Awards were presented by J. W. Riddleberger, principal. The baccalaureate sermon was given Sunday night by Dr. W. E. Fletcher, pastor of the Athens Methodist church.

The class roll:
Girls: Marjorie Bennett, Marie Covington, Kathryn Davidson, Posey Beth Brethaupt, Minnie Mabel Johnson, Helen Griffin, Lola Mae Looney, Frances Parrish, Martha Hamilton, Edith Lois Harrell, Mary Frances Welch, Hazel Wetzel, Juanita Wiley, Mary Allen and Fredella Conn.
Boys: Fred Wilson and Edmund Welch.

Robert Greenlee of Corsicana Among 200 Texans McChord Field

Among Texans from adjacent counties include Jimmie Page, former sports writer, Hillsboro; Walter Spradlin Hillsboro; Marvin White, Brandon; Elmer Arnold, Hillsboro; James Leatherwood, Itasca; L. A. Conger, Itasca; Norris Foster, Hillsboro; James Horton, Mertens; Frank Hughes, Kaufman; Edwin Worley, Whitney; J. W. Benton, Covington; Thomas Hornsby, Whitney; John Hamilton, Itasca; James Shandler, Itasca; Arthur Reinke, Malone; Thomas Wray, Milford; Walter E. Duff, Ferris; Odie Stephens, Kaufman; Oscar Clark, Ennis; Clifton Wood, Ennis; Talvin Hauser, Ennis; Elmer Hauser, Ennis; Edw. Davidson, Itasca; Edwin Bealy, Hillsboro.

Blooming Grove Army Pilot Safe

BLOOMING GROVE, May 8.—(Spl.)—Mr. and Mrs. J. R. Griffin have received a cablegram from their son, James R. Griffin, an army pilot in the United States foreign service, stating that he was safe in Australia, and happy.

Lt. Griffin had not been heard from since the fall of Manila. At that time he was stationed at Nichols Field, where he had been on duty since arriving in the Philippines in June, 1941.

Lt. Griffin was born and reared in Blooming Grove, Navarro county, and is an A. and M. College graduate in the class of 1940.

Gov. Stevenson to Make Class Address

Gov. Coke Stevenson will deliver the class address at the graduation exercises of the State Home school on Monday night, May 25. It has been announced by John H. Robertson, superintendent. He will be introduced by Robert Calhoun, former speaker of the House of Representatives of the Texas Legislature and graduate of the Home.

LEADERS FOR HIGH SCHOOL ACTIVITIES HAVE BEEN CHOSEN

Election of pep squad leaders and student editor and business manager of the high school yearbook highlighted an assembly program of the Corsicana high school student body Friday.

Jimmy Plyler, president of the senior class, presided.

Selected as drum major of the pep squad for 1943 was Miss Glennie Sue Bessie, a junior. Drum majorettes chosen were Billie Mae Brown, sophomore; Dorothy Bush, sophomore; Carolyn Bule, sophomore; June Pantan, junior; and G'Nelle McWilliams, junior.

Dorothy Wolens, a senior, was selected as the most valuable pen and pencil girl and was awarded a gold bracelet in recognition of her service.

Elected to head the student publishing staff of "The Corsican," high school yearbook, as editor-in-chief, was Miss Jane Burris, a junior. Miss Margaret Anderson was elected to the post of business manager. Remainder of the staff will be chosen next year.

Miss Burris served as assistant editor and business manager for the publishing of the 1942 annual. Miss Dorothy Wolens was business manager this year.

Goings and Comings Of Fairfield Folk

FAIRFIELD, May 9.—(Sp.)—Mrs. Mildred Davis, who is stationed at the post office, Mrs. Jim Robertson, the past week end, Bobby Richards, who has been working near Houston, has returned home.

Former Corsicana Resident Died In Frankston Friday

Fred McKee, former Corsicana resident, died in Frankston Friday noon. Friends here have been advised.

Funeral rites were held from the Methodist church at Frankston Saturday afternoon at 1:30 o'clock with burial in the Frankston cemetery.

Surviving are a brother, Dave McKee, Dallas, and two sisters, Mrs. Alice Garland, Fort Worth, and Mrs. Clyde McKee, Abilene.

Navarro High Juniors Are Hosts to Seniors

The Junior class of Navarro High school entertained the Seniors and faculty with a Junior-Senior banquet on Friday evening, May 1.

The table arrangements were appropriately made to represent the United States and the Allies, the centerpiece of the speaker's table being a replica of a large American gunner flanked with bluebonnets, all standing on a base of the centerpiece used on each of the small tables and the colors and customs of the countries represented by each of the tables were used in the covers, napkins and napkins.

J. C. Watson, county superintendent, was the speaker for the evening. Mr. Watson took for his subject, "The Score Board," giving five qualifications that thoughtful men possess: (1) Recognize your worth; (2) Do something worthwhile; (3) Have a great desire to do a good job well; (4) Develop skill; and (5) Consider the ones who are to follow you.

The entire program follows: Invocation—Tommy Poe. Response—Charles McCarter, Jr. Vocal Selection—High School Girls.

Piano Solo—Lena Rose Harvard. Vocal Solo—Miss Mirl Craddock.

Harmonica Solo—Charles White. Address—Mr. Watson.

Remarks—Mr. Kennedy.

A Toast to the Seniors—Jack Gandy.

Lang Syne—High School Group.

Waitresses for the occasion were Lena Rose Harvard, Betty Marsh, Mildred Hodge, Dolly B. Stone, Fay Allsup, Winnie McDaniel, Anna Joy Watkins and Sue Bailey.

They were dressed in costumes to represent the allied countries.

The banquet was under the direction of the Junior class, whose members are Walter Poe, president; Joy Horn, secretary; and Nellie Renfro, Jack Gandy, Billy Joe McCann and Charles White, and Miss Lois Hawthorne, Junior class sponsor.

QUESTIONNAIRE CONTINUED FROM FIRST PAGE

the five pounds of sugar per person per year for canning is not enough to do the canning and preserving this year. How can she get more sugar?

A. The friends or relatives receiving the canned and preserved goods might wish to supply the sugar that they can obtain for canning and preserving.

Not on Ration List Yet.

Q. A person has heard that coffee and spices are being rationed. How can he buy them as ration stamps have been designated only for sugar thus far.

A. Coffee and spices are not being rationed to the consumer, but delivered to sellers are under limited deliveries. They still may be purchased as needed but should not be hoarded.

Q. In defense rental areas must all rents be reduced to the announced date level or can the renter arrange a level with his landlord where the rent was not advanced until after the specified date?

A. The renter is bound as much as the landlord and cannot pay more than the specified ceiling, even though he is willing, after the effective date of the regulation.

Q. A landlord in a defense rental area has not indicated when he will cut the rent back to what it was at the date level for the particular area. How can the tenant get some guidance on what to do about it?

A. The recently announced regulations authorities to handle. If rents are not reduced to the prescribed level in the 60-day period, beginning April 28, the Office of Price Administration will act.

Notice.

I wish to inform my friends that I am now representing Corley Funeral Association. If you are interested in burial insurance, leave word at Corley Funeral Home. Phone 66.

HORACE HAYES.

NAVARRO COUNTY SCHOOLS RECEIVE TWO REMITTANCES

Navarro county common schools received two large remittances last week, it was revealed Monday at the office of J. C. Watson, county school superintendent.

The final payment on the teachers' salary aid of \$9,652 was received, bringing that figure for the year to \$28,789.

An additional per capita payment of \$3 was received for distribution Saturday, amounting to \$14,040. This brought per capita payments to \$19 of the \$22.50 assigned for the 1941-1942 seasons.

The above figures do not include any aid received by independent districts.

Departing Kerens Couple Honored

KERENS, May 9.—(Sp.)—An informal reception to which all friends and acquaintances of the Rev. and Mrs. Joe N. Everheart were invited, was held at the home of Mr. and Mrs. H. A. Quate, Sunday from 3 to 5 p. m. with the Presbyterian WMS co-hostesses.

In the nature of a city-wide farewell to the couple, who left Tuesday for their new home in Clarksville, the affair was one of the high lights of spring socials and several hundred called to say "good bye, good luck, God Bless you," to the beloved family, who in 23 years of residency, had intertwined themselves into the hearts and lives of every Kerens citizen.

Met at the door by the general Mr. (Dick) Quate, guests were greeted by a receiving line composed of the two guests of honor, Rev. and Mrs. C. C. Sessions, Rev. and Mrs. R. P. Walker, and Mrs. Quate, who directed them to the dining room for delicious food, served with tea, goodies, from the beautifully laid dining room table.

Center of attraction as the room was entered was the lovely colonial mixed arrangement of pastel to deeper hued dainty blossoms faultlessly grouped in antique crystal chandeliers with pastel tinted mints completed the beautiful color scheme. At one end of the table Mrs. S. Daniel, known as Church Mother of the Presbyterian church, poured while at the other Mrs. W. B. Coates served sandwiches.

Assisting with serving and other hostess duties were Mrs. Jere Dunn, Mrs. P. N. Stockton, Misses Erin and Carrie Daniel, Mrs. Winnie Smith, and Mrs. Brook Smith.

Passing into an adjoining room a guest book was presided over by Mrs. Anna Daniel of Corsicana.

Occupying a place of honor also in the living room was a handsome silver tray, set with silver sugar and creamer, which was the going away or love gift of the church to the pastor and wife.

Noted about the home in every room were beautiful flower arrangements, each the perfect spot of color for its particular niche.

Senior Class Kerens Hi School Entertained

KERENS, May 9.—(Sp.)—As is the annual custom of the WMO of the First Baptist church, the 1942 Senior class of the Kerens High school was entertained with a progressive party from 8:15 to 10 p. m. Monday in the church basement.

Seven tables, each with a different game were set around the room, and as the group at one table completed the game and progressed to the next the general rotation assured each one present a chance at each unique game.

Table No. 3 proved very popular as it held a large old fashioned punch bowl, surrounded by white cake squares with green "V" in going, carrying out the senior class colors. Salted nuts also were served.

Table numbers and tally cards also were in the chosen green and white, and the latter were further decorated with small mock orange blossoms.

Gorgeous bowls of pastel toned peonies, from the garden of R. H. Mays were used as floral decorations about the spacious room.

Junior hostesses for the occasion were Misses Norma Jo White, Julia McConico, and Louise Blissett.

Thirty members of the class were in attendance.

Notice

Hello Friends: You know that before Pat O'Brien left Ireland to come to the United States he was over here. Pat did not believe the story much, but when he landed in New York and left the ship he walked down the street, on the sidewalk. He picked it up and proceeded gleefully on his way. Found the corner he was stationed to see a blind man sitting on a soap box holding a tin cup in his hand. Pat walked up to him and said "Here blind man take this ten dollars, for you cannot see how to pick them up like I can." Now the idea is this—if you will elect me to the office of Justice of the Peace, Precinct 1, Place 2, I will not have to sit on a soap box and wait for that Irishman to come along. I am not physically able to do defense work or other manual labor, but I am fully qualified and able to serve you as Justice of the Peace. Therefore, I earnestly solicit your vote and influence in the forthcoming democratic primary.

Respectfully,
JOE E. DANIEL,
(Paid Pol. Adv.)

Courthouse News

District Court.

Three juvenile boys, aged 13, 14 and 15 years, were paroled by Wayne R. Howell, district judge, Saturday morning to Dallas, where they were paroled to the Dallas county parole officer and the other to the Big Brothers of Dallas. They were arrested this week in connection with the theft of bicycles at Richland.

The grand jury has been summoned to report Thursday morning. The probers have been excused, subject to call, for several weeks.

The following have been summoned as petit jurors for the seventh week of the April term of the district court for the week beginning Saturday, May 16:

to resume the battle which a Saturday communiqué said had "ceased temporarily."

(The German-controlled Paris radio broadcast a report today that powerful Japanese naval reinforcements had arrived in the Coral Sea for the "resumed" battle, but the report was not confirmed by any other source.)

Attack Enemy Seaplanes.

In addition to blasting the two Japanese submarines yesterday, allied bombers were reported to have attacked enemy seaplanes in Louisiana Islands off the southeastern tip of New Guinea.

Five Japanese seaplanes were reported destroyed or badly damaged by the allied bombers crediting the allied bombers with the destruction of the seaplanes and tanker Saturday.

Two other enemy planes, both Zero fighters, were destroyed when allied fighters intercepted a light attack yesterday on Port Moresby, allied outpost on the southern coast of New Guinea, headquarters of the general allied policy of caution against over-optimism, Sir Keith Murdoch, of the Melbourne Herald, declared "It is sheer folly to say that we have smashed an invasion fleet" in the Coral Sea.

"The naval and air engagement in the Coral Sea was against a comparatively light Japanese naval force, not against the main Japanese fleet," he said. "What must be realized is that a large Japanese expedition is beginning."

SAN FRANCISCO, May 11.—(AP)—American bombers returning to their Australian base from an independent mission watched the gigantic battle of the Coral Sea from grandstand positions at 18,000 feet and crewmen made a vivid photographic record of the conflict.

The Melbourne radio, quoting Norman Stockton, a war correspondent who had seen the pictures, said the action took place 150 miles from the North Queensland coast.

"At least 600 planes took part"

and the office of petroleum coordinator is taking steps to obtain priorities for the line, E. DeGolyer OGC director of conservation, told informed Texas oil men attending an emergency statewide prorotation hearing.

The hearing was called by the railroad commission to obtain reports from crude purchasers on amounts needed from individual fields upon which the commission will base allowable production scheduled for the last 15 days in May.

Federal petroleum coordinator Harold L. Ickes has recommended a slash of 200,000 barrels daily to curtail statewide yield to 960,000 barrels daily and members of the commission, asserting the cut would force 3,000 small operators into bankruptcy, has refused to accede to Ickes' request.

The commission issued prorotation schedules allowing production of more than 1,000,000 barrels daily the first half of May.

Federal Loans.

Before DeGolyer discussed efforts of the OGC to solve the transportation problem, which developed because of tanker losses, chairman Ernest O. Thompson of the commission expressed the opinion federal loans to operators would keep them out of bankruptcy.

"Pending solution of the transport problem by pipe lines and barges undergone violent displacement," DeGolyer declared. "The OGC knows Texas is suffering and believes the ultimate solution is a pipe line job."

"Currently there are only 800,000 barrels of oil daily reaching the east. That means we are short by 520,000 barrels. Of course, Texas, farthest removed from the market, cannot produce the oil if it cannot be transported."

The storage facilities are available and the oil can be gotten to storage. By this method, the operator can pay his bank loans and

said the broadcast, heard here by CBS. "Both sides used torpedo carriers and dive bombers."

The sky was cloudless and the photographs captured the engagement in startling detail.

One astounding photograph shows six Japanese warships, including the two doomed aircraft carriers, weaving in and out of white circles against the background of deep blue sea, each Japanese ship dodging American bombs in different directions, each frantically attempting to escape destruction, Stockton was quoted.

"Another shows the aircraft carrier a few minutes before she was struck. The bombs are plainly etched against the background of blue and maneuvering white vessels."

Other defendants were listed as Celotex Corporation of Chicago, Certain-Tied Products Corporation of New York, Johns-Manville Sales Corporation of New York, Insulate Company of Minneapolis, Flintkote Company of New York, National Gypsum Company of Buffalo, Wood Conversion Company of Cloquet, Minn., Armstrong Cork Company of Lancaster, Pa., and Dant and Russell, Inc. of Portland, Ore.

for at least 100,000 barrels of oil daily up the Atlantic seaboard from the South.

In order to increase heavy fuel available from the Middle West the industry refining committee is required to work out refinery schedules to produce the fuel at the expense of motor gasoline and is called upon to arrange purchases, sales, exchanges and loans of heavy fuel oil so that supplies may be concentrated at Midwest points from where they may move east in trainload lots.

The industry is called upon to work out monthly schedules of tank car loadings from the Middle West and Gulf Coast. East Coast refiners are ordered to produce the maximum amount of heavy fuel oil and the minimum amount of gasoline so far as it does not interfere with production of war petroleum products.

TAXES

son had told them compulsory savings of some kind and possibly a general freezing of wages might be necessary to combat inflation.

Henderson was quoted as having strongly endorsed treasury recommendations to lower personal income tax exemptions to \$600 for single persons, \$1,200 for married couple and \$300 for dependents.

One committeeman said he obtained the impression that "Henderson believed that freezing of all wages would be necessary eventually" to stop inflation.

rites for del COBB held in Dallas on Monday morning

Funeral services for Delmore L. Cobb, 65, former resident of Corsicana, who died at his home in Dallas Saturday, were held Monday morning at 10 o'clock from the Mungler Place Methodist church. The rites were conducted by Rev. Francis A. Buddin. Burial was in Grove Hill cemetery.

Mr. Cobb had been secretary-treasurer of the Lone Star Gas company since its organization. He was a native of Arkansas, but moved with his parents, the late Judge and Mrs. L. B. Cobb to Groesbeck while an infant. He graduated from Southwestern University, Georgetown in 1898, and later entered the employ of the old Navarro Oil company. He was one of the organizers of the Lone Star Gas Company in 1909, and resided in Fort Worth from 1909 to 1918 when the home offices were moved to Dallas.

Surviving are his widow, six children, D. L. Cobb, Jr., Dallas; Robert Cobb, Fort Bragg, N. C.; Mrs. Ann E. Cobb, Dallas; Miss Lesler Cobb and Mrs. L. Cobb, all of Dallas; four grandchildren, four sons, Mr. L. A. Allison, Corsicana; Mr. J. E. Kerr, Corsicana; Mrs. J. E. Cobb, all of Dallas and relatives.

Black Hills WSOS in Social Session

The Womens Society of Christian Service of the Black Hills Methodist church enjoyed a social session at the home of Mrs. Clark Simmons on Monday afternoon.

With Mrs. L. O. Sutton leading, the meeting was opened with group singing, "What a Friend We Have in Jesus," followed with prayer by Mrs. M. M. Pike. After a short business session the president, Mrs. D. N. Poarch, turned the meeting over to Mrs. George Gamble.

Children of our church and little Children Come Unto Me" was the subject discussed by Mrs. Gamble. Those who took part on the program were Mrs. J. W. Warren, Mrs. D. N. Poarch, Mrs. Tom Worthington, Mrs. Clark Simmons, and Mrs. M. M. Pike. After the program, the grab box was enjoyed by all present and the ladies all turned in their penny jars.

During the social hour the hostess served refreshments to Mrs. Tom Worthington, Mrs. J. W. Warren, Mrs. L. O. Sutton, Mrs. M. M. Pike, Mrs. George Gamble and Mrs. Donald Pitt.

The next meeting will be at the church Monday afternoon.

Emhouse Girl Weds Corsicana Soldier

Announcement of the marriage on April 27, of Miss Joanne Johnson, daughter of Mrs. and Mr. Walter Johnson of Emhouse, and Private Carl Ralph Bell of Corsicana, who is now serving in the United States Army stationed at Camp Blanding, Florida, was made today.

Private Bell has already returned to Camp Blanding. Mrs. Bell will join him in Florida within the next month.

W. S. CURTIS DIED SUNDAY; RITES WILL BE HELD TUESDAY

W. S. Curtis, aged 65 years, merchant here for many years, died at his home, 815 West Thirteenth avenue, Sunday at noon, following an illness of several months. A native of Indiana, he had resided in Corsicana for 56 years.

Funeral services are planned Tuesday afternoon at 5 o'clock from the Corley Funeral Chapel with burial in Oakwood cemetery. The rites will be conducted by Rev. W. R. Hall, pastor of the First Presbyterian church.

Surviving are his wife, two sons, Lt. W. S. Curtis, Jr., U. S. army, and T. C. Curtis, Corsicana; four grandsons and four sisters, Mrs. Lizzie Nicol and Mrs. Jim M. Gordon, both of Corsicana; Mrs. M. C. Harris, Detroit, Mich.; and Mrs. Ralph Tapp, Minneapolis. Pallbearers will be Sam Spikes, J. D. Carroll, N. C. Goodman, Harry Pollock, John C. Hughes, T. J. Walton, R. L. Dickson, and Jim Pugh.

Sureletta Dukeminier Buried Rice Monday

Funeral services for Sureletta Dukeminier, infant daughter of Mr. and Mrs. John Henry Dukeminier of Rice, were held Monday afternoon at 2 o'clock from the family home in Rice. Burial was in the Rice cemetery. The rites were conducted by Rev. G. C. Henry, pastor of the Rice Baptist church.

The child died at the P. and S. hospital Sunday afternoon. Surviving are the parents and grandparents, Mrs. and Mrs. D. N. Green, Rice.

Providence Boys 4-H Club Met on Friday

Providence 4-H club held a meeting at the school Friday, May 9, with all members present and Charles Norton became a new member.

Ben D. Cook, assistant county agent, showed a moving picture on farming, feeding calves and other 4-H club work, which was enjoyed by all the boys.

Pvt. Edward Graham Returns to Duty

Pvt. Edward E. Graham of the U. S. Air Corps, Sheppard Field, Texas, has returned to duty after a ten-day furlough. He has been visiting his wife and little daughter, Mary Elizabeth, and his parents Mr. and Mrs. Frank Carter.

MRS. RALPH WYLIE DIED NEW ORLEANS; BURIAL CORSICANA

Mrs. Ralph Wylie died in New Orleans Sunday afternoon. Funeral services will be held from the Sutherland-McCammon Funeral Chapel Tuesday afternoon with burial in Oakwood cemetery. The rites will be conducted by Rev. Marshall Steele, pastor of the Highland Park Methodist church. The rites will be held at 2 o'clock.

Mrs. Wylie was Miss Majorie Davis of Corsicana prior to her marriage, the daughter of the late Col. C. A. Davis.

She was a native of Corsicana and a graduate of the Corsicana high school. Mrs. Wylie lived in Corsicana through young womanhood and after her marriage to Mr. Wylie they have resided away from this city. Many friends made while living here are grieved to learn of her untimely passing.

Surviving are her husband of New Orleans; mother, Mrs. C. A. Davis, Corsicana; and two sisters, Mrs. Fred Forester and Mrs. Winnie Lee Rankin, both of Corsicana.

Pallbearers will be Charles Rankin, Earle Wylie, Alvin Wylie, Thomas Wylie, Gerald McClung and Frank Caldwell.

J. R. BYERS, U. S. MARINE AND FORMER CORSICANAN, DIES

Relatives here received word early Sunday morning of the death of J. R. Byers, U. S. Marine, former Corsicanan, at the San Diego Base hospital in California, from wounds received in action. He is the son of Mr. and Mrs. R. I. Byers of Dallas. The family moved to Dallas in 1936.

Byers had been in the Marines for the past three years and was stationed in Iceland for some time. He was home on a furlough three weeks ago.

The parents left Dallas Sunday for San Diego after learning their son was seriously wounded and was stationed in Iceland for some time. He was home on a furlough three weeks ago.

Funeral arrangements are incomplete, but it is expected the rites will be held here sometime this week.

Th. Marine is a nephew of Mrs. Hollis Simmons of Corsicana.

Three Misses Walker Courthouse Employees

There are three of the Misses Walker employed in the court house. They are located in different court house offices and are not related, although each is a native of Navarro county.

Miss Mary Walker is assistant county auditor and assistant county treasurer, a post she has held for several years. Prior to that time, she served four years as secretary in the office of Warren Hicks, while he was county judge.

Miss Cornelia (Connie) Walker is deputy county clerk in the office of Mable Wilkinson, and has been in the clerk's office for several years.

Miss Vivian Walker is secretary in the office of Charles T. Banister, criminal district attorney. Miss Mary Walker was reared at Kerens. Miss Cornelia Walker's home is in Rice, while Miss Vivian Walker has always resided in Corsicana.

Copies "Major Price Regulations" May Be Seen Local Chamber

A few copies of the "Major Price Regulations" issued by the Office of Price Administration have been secured by the Corsicana Chamber of Commerce and are now available for consultation, Manager Robert G. Dillard announced Monday morning.

He reported he had been advised general distribution of the text of the new regulations would not be possible for several days and invited interested business men to call at the chamber of offices and consult one of the available copies.

THE WAR TODAY

CONTINUED FROM FIRST PAGE
by both sides. Since then much more terrible gases have been produced in many countries, and if there are not let loose we are likely to witness frightfulness such as the world never before has known.

The halt in the battle of the Coral Sea easily may be merely a breathing spell after the first phase of a great engagement which will continue to swell until it has much to do with determining the control of the Southwest Pacific.

It will be passing strange if this fierce clash between combined air and naval forces is being dropped like a hot potato. It's probable that either the previously wounded Jap fleet, which has been compelled to retire before our arms, will secure reinforcement from the turn to the assault, or that General MacArthur will find himself in a more favorable position to initiate a further offensive against the New Guinea and Rabaul bases from which the Nipponese are threatening Australia and American communications.

We still lack details to enable us to appraise the full significance of this initial action. It may be a considerable time before we are sure all the facts. However, it is clear that we have dealt the enemy a heavy blow, especially in their air arm, through the sinking of one aircraft carrier and the disabling of another.

Sammie Palmer in India. Word has been received from Sammie Palmer that he is in India and is getting along fine.

Emmett Cemetery Meeting. The annual cemetery association meeting at Emmett was held Saturday. Many former West Navarro residents from all sections of the state always attend this meeting.

FUNERAL SERVICES FOR W. N. SMITH HELD SATURDAY

Funeral services for William Newton Smith, aged 65 years, who died Friday at his home on the State Home road, were held Saturday afternoon at 2 o'clock from the Grape Creek Methodist church. Burial was in the Grape Creek cemetery. The rites were conducted by Rev. W. S. Fisher, pastor of the North Corsicana Methodist church.

Mr. Smith was a native of Navarro county and had resided in this community for the past 15 years.

Surviving are a daughter, Mrs. W. P. Ruth, Ira, Texas; five sons, A. N. and W. J. Smith, both of Corsicana; R. A. Smith, National City, Calif.; C. A. and W. B. Smith, both of Corpus Christi; a brother, A. M. Smith and a sister, Mrs. J. L. Humphries, both of Corsicana.

Pallbearers were B. C. Goodin, Ab Marsh, Wade Haravrd, L. Doolen, Jim Doolen, Edgar White, J. M. Harward and Welter Beeman.

Kilgore Man Buried Richland Saturday

Funeral services for Charles D. Pressnell of Kilgore, who died at his home Friday, were held at the Richland cemetery Saturday afternoon at 3:30 o'clock.

Survivors include his wife, a former resident of Richland, and other relatives.

Corsicana Soldier On Duty In India

Mr. and Mrs. Joe Palmer received a message Saturday from their son, Sammie J. Palmer, U. S. army, reporting his safe arrival in Karachi, India. He reported being in excellent health and said to give all his friends his best regards.

Emmett Cemetery Meeting. The annual cemetery association meeting at Emmett was held Saturday. Many former West Navarro residents from all sections of the state always attend this meeting.

Two Air Field Mechanics Injured In Auto Accident

Two mechanics at Air Activities of Texas suffered minor bruises and injuries early Monday morning when the automobile in which they were riding struck a telephone pole near the city limits on South Highway 75.

Cornelius Fellen, 21, and Daniel Copertino, 22, were rushed to the P. and S. Hospital for emergency treatment, following the crash. Their injuries were not regarded as serious and hospital attendants indicated they would be dismissed in the afternoon.

Richland Home Demonstration Club

The Richland Home Demonstration club met May 7 at 3 o'clock in the home of Mrs. J. O. Gibson. After a discussion of ways of raising funds for the club, the hostess served a refreshment plate of smacks, potato chips, cookies and iced tea.

The contracting parties were: Jimmie D. Burton and Mary Elizabeth Allen, Corsicana, Route 5.

Sgt. Tom Conn, Fort Sam Houston, Texas, and Miss Kathryn Virginia Miloy.

Two Weddings Here On Friday Night

Two marriage ceremonies were performed Friday night at the home of Judge and Mrs. Pat Geraghty with Judge Geraghty officiating.

The contracting parties were: Jimmie D. Burton and Mary Elizabeth Allen, Corsicana, Route 5.

Sgt. Tom Conn, Fort Sam Houston, Texas, and Miss Kathryn Virginia Miloy.

Cemetery Association Circle Meet Tuesday

The Oak Valley and White's Chapel circle of the Hamilton-Beman Cemetery Association will meet Tuesday afternoon at 3:30 o'clock in the home of Mrs. Walter Little.

After the regular routine of business a grab-box will be held. Each member is asked to ring a 10-cent article for the box and 10 cents to purchase an article. All members are urged to attend and bring a guest.
